<h3>About painting</h3>

<p>Vincent! In “Self-portrait with Straw Hat,” we get a front-row seat to Van Gogh’s evolving style during his Parisian days. This isn’t just any selfie; it’s a dazzling display of brushwork and color that would give modern filters a run for their money. With a dash of sun in his hat and a twinkle in his eye, this self-portrait reminds us why Van Gogh’s place at the top of the Van Gogh famous paintings list is well-deserved. Hats off to you, Vincent!</p>
